

NHS Junior Timeline

SUMMER

- Attend summer school to remediate any classes you need for graduation or college requirements
- Attend Junior Kick Off Day
 - Sign up for practice SAT and/or ACT, or for the PSAT
- Prepare to take the SAT and/or ACT in the fall or spring
- Visit colleges if possible and use Naviance to research college options
- Rest, relax, and have some fun!

FALL

- Review your schedule and remind yourself of graduation requirements and college requirements – are you on track?
- Decide when you will take the SAT and/or ACT and register when appropriate
- Register for SAT Subject Tests if appropriate
- Continue participating in extra-curricular activities
- Fall Conference: Check-in and share progress with your TA
- Attend visits from college reps and career speakers in the College and Career Center
- Continue to research colleges and possible career paths using Naviance
- Athletes: Register with the NCAA Clearinghouse to make sure you're eligible for Division I, II, and/or III sports

SPRING

- Attend practice SAT or ACT scores back presentation - use scores from practice tests and/or PSAT to help you prepare for the SAT and/or ACT
- Attend Junior Parent Night in January and RACC Night in March
- Continue to research colleges and possible career paths using Naviance
- Discuss your post-high school plans and goals with your parents
- Spring Conference: Your TA will create your schedule for next year based on teacher recommendations on requestor and notes from your sophomore conference
- Enroll in summer school if necessary to remediate any classes you need for graduation or college requirements
- Choose classes for senior year – remember to stay balanced while maintaining a strong course load
- Attend the College Application Workshop in June

REMINDERS

- Naviance offers a number of great tools to help you explore college and career options! Make sure to check out:
 - Scattergrams
 - College Search and College SuperMatch
 - Personality and Career Assessments
 - Resume Builder
- Keep track of the time you spend on extra-curricular activities, your leadership roles, and any awards/honors you receive
 - You will be self-reporting all of this information when you apply to college, so keeping good records now will help you when it's application time!
- Read the Weekly Bulletin and the College and Career Center Newsletter to stay informed about what's happening at NHS!
- Stay healthy and balanced! See your counselor if you are feeling stressed, have questions, or need some support!
